Name of Theme: (TOPIC/SUBJECT of the event): 'A Day in the Life of a Google Employee' - A talk by Mr.Prasad Pagade.

Date of Event: 20th February

In-charge Faculty /Student/ Staff Name: Dr. Dhananjay Kalbande, Sayali Ayre

Brief Information about the event: On February 20, 2021, the IIC S.P.I.T in collaboration with Industry Relations Cell S.P.I.T conducted an online webinar - 'A Day in the Life of a Google Engineer', wherein the speaker, Mr.Prasad Pagade, a senior architect at Google gave us a peek into his thrilling life working at a top Silicon Valley company. Mr.Pagade first gave us a deep look at one of the companies he's working at, Looker - an online data platform where he is a senior consultant. Looker plays a vital role in real-time visualization of the data of a company, in order to spot trends and anomalies. A number of organizations have made use of Looker, including the Oklahoma State government, who utilized Looker's services to use data intelligently in order to reduce the Coronavirus cases within the state.
